Slow & Low
Technique!!

Bryan Schmitt
Signature

Hayabusa USA and professional bass angler Bryan Schmitt collaborate to provide his signature series finesse swim jig, the Lil' Schmitty. Featuring a finesse compact design, light fiber weed guard and medium wire chemically sharpened Hayabusa 4/0 hook for effortless hookups. The jig includes a streamlined snagless head, hand tied skirt with flashy mylar and bulging chartreuse eyes to reflect light from all angles. All these elements combine to provide the ultimate swim jig for Bryan's Slow & Low fishing technique!

6/0	3

The FPP Straight HD is a powerhouse version of Hayabusa's very popular FPP Straight 'Original'. The FPPHD is a heavy gauge wire straight shank hook for fishing extremely heavy cover with the largest of line sizes. Hayabusa engineered a perfect gap between the shank and point as well as providing a unique extended hook bend to 'set' the fish firmly in place once hooked. The FPPHD's fully closed eye prevents line friction and slippage.

Model: FPP Straight

Straight Shank Worm Hook

4/0	up to 20lb	3
5/0	up to 25lb	3

The FPP Straight 'Original' is a medium gauge wire straight shank hook engineered with a perfect gap between the shank and point. Hayabusa's famous 'Loop Keeper', a monofilament bait keeper, is engineered to keep your plastic lure pinned in position while fishing a variety of techniques. The 1/0 - 3/0 sizes are excellent for fluorocarbon applications such as dropshot or texas rigged in light to medium cover. The 4/0 and 5/0 can withstand larger line sizes in medium to heavy cover applications.

Trailer Hook with NRB Coat, Oval Eye, Placement Stoppers and True Running Shape

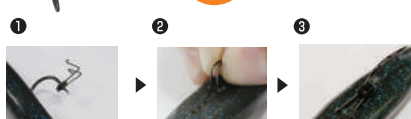

ART No. EC929L1

NRB Coat

SIZE (#)	PCS / PACK
1	6
1/0	6
2/0	5
3/0	4

WRM929 Trailer Hook is the ultimate for all trailer hook applications. The hook point shape is engineered to stay horizontal to the swimming presentation of the lure providing increased hooking opportunities. The hook eye is oval shaped to prevent any chance of the hook toppling from side-to-side. The rubber beads included allow the angler to choose from rigid or loose trailer hook rigging on the primary lure.

PLASTIC TRAILER KEEPER TRAILER LOCK

Model: Trailer Lock

Hook Accessory for Plastic Trailer, provides secure hold from hook to trailer

ART No. EC902

Black

SIZE	PCS / PACK
S	4
M	4
